

This is a detailed architectural site plan of a residential area in Gliwice, Poland. The plan shows a dense arrangement of buildings, mostly multi-story residential structures. A proposed tram line is highlighted in orange, running diagonally from the bottom left towards the top right. Several tram stops are marked with blue dots along this line. The plan includes numerous labels for buildings, streets, and specific points of interest. Key streets visible include 'ul. Dzierżowska' and 'ul. Rydyłowska'. The scale of the plan is indicated as 1:500. The drawing is a technical representation of the urban environment, used for planning and construction purposes.
